Conclave Blogs

We are slightly bemused by many blogs and commentaries coming from Rome during the conclave. Black smoke is not the only hot air arising in Rome. To what end? Will conclave blogs or commentaries or bookies odds affect the outcome?

There is only one effective thing we can do: to pray for a holy, strong and orthodox pontiff - for a Pope that we do not deserve - a Pope who will seek to re-establish all things in Christ - *Instaurare omnia in Christo*.

From Hockey Stick to Snooker Cue

In this article Christopher Booker indicates that data does not support the rises in global warming suggested by the anthropomorphic climate change lobby.

Hugo Chavez

Here can be found an article by the Scottish Catholic journalist, Gerald Warner, regarding the late Hugo Chavez. This might help counteract the fawning adulation of Chavez which has appeared on most UK broadcasting sites.
